when the rand collapsed from 7 60 to 13 84 to the us dollar in 2001 kevin wakeford blew the
whistle accusing three big corporates and one global bank of being party to manipulation in the
currency markets wakeford predicted that the rand was on its way to 20 30 40 and possibly 50 to
the dollar which would have thrown the seven year old democracy into economic and political turmoil
as a result of his intervention a rand commission was set up by president mbeki to investigate his
claims and the rand's collapse was arrested and reversed the rand commission was however shut
down prematurely and wakeford was fired as ceo of the south african chamber of business while the
enron and worldcom scandals in the united states triggered comprehensive corporate reform it
seemed that south african authorities were determined to cover up any wrongdoing in the assault on
the rand barry sergeant tells the explosive story of the rand's collapse and the events that followed
he also explores more recent banking scandals around the world giving a hard hit to
greed collusion and manipulation in the markets

a fortnightly bulletin on financial and political trends

the face of power in south africa is rapidly changing for better and for worse the years since thabo
mbeki was swept aside by jacob zuma's coalition of the wounded have been especially tumultuous
with the rise and fall of populist politicians such as julius malema the terrible events at marikana and
the embarrassing guptagate scandal what lies behind these developments how does the zuma
presidency exercise its power who makes our foreign policy what goes on in cabinet meetings what
is the state of play in the alliance is the sacp really more powerful than before and as the landscape
shifts what are the opposition's prospects in the zuma years richard calland attempts to answer
these questions and more by holding up a mirror to the new establishment by exploring how people
such as malema chief justice mogoeng mogoeng and da parliamentary leader lindiwe mazibuko have
risen so fast by examining key drivers of transformation in south africa such as the professions and
the universities and by training a spotlight on the toxic mix of money and politics the zuma years is
a fly on the wall insider's approach to the people who control the power that affects us all it takes
you along the corridors of government and corporate power mixing solid research with vivid

anecdote and interviews with key players the result is an accessible yet authoritative account of who runs south africa and how today

more women 47.6 receive mental health services compared with men 34.8 women are twice as likely as men to develop major depressive disorder furthermore 10.15 of women experience depression during the perinatal period which makes depression one of the most common complications of childbirth gaynes et al 2005 these statistics illustrate that psychiatric disorders in women are common during the reproductive years and that the hormonal fluctuations associated with the reproductive life cycle contribute to the etiology of mental illness in women medical practitioners in all fields will encounter female patients with mental illness across the lifespan particularly major depressive and anxiety disorders consequently there is a great imperative for high quality educational materials that increase the competency of providers this outstanding work is divided into two parts part i provides a comprehensive overview of the reproductive life cycle and covers mental health concerns across the lifespan including the relationship between gynecological and sexual health and mental health as well as infertility the premenstrual period and perimenopause part ii is devoted to the perinatal period and offers a conceptual framework for a clinical approach to the pregnant and postpartum patient followed by evidence based reviews of the management of psychiatric disorders by diagnostic category as well as covering stress in pregnancy infant mental health and legal forensic issues critical summaries of the epidemiology risk factors screening methods and clinical features are presented this book must be required reading for all faculty and trainees who will care for women

named an outstanding academic title of the year by choice a gripping analysis of the results of the groundbreaking imaging technology used to examine the royal mummies of the new kingdom now in paperback essential a superb semi popular account of the results of ct imaging performed on several new kingdom egyptian royal mummies the results are sometimes surprising but always fascinating this book will be of great interest not only to scholars but to anyone else fascinated by egyptian mummies choice a remarkable book the scans are reproduced for all to see and an extensive section of color images provides information never before reported the comprehensive bibliography is also a contribution this volume sets a high standard for future scans of the mummies of ancient egypt bob brier journal of the american oriental society this publication is certainly a great step forward on the path to the discovery and understanding of the life and thought of the ancient egyptians through multidisciplinary research on the royal mummies breislav vachala archiv orient□ln□ fascinating and well organized incredibly appealing imaging professionals and those who are interested in ancient
